

Parking Hourly / Daily Rates

There are five primary parking lots at Health Sciences Centre. Please use the Parking Locator to find the parking lot located closest to your appointment location. Please remember that at peak times lots can be full. You should allow enough time before your appointment to visit more than one lot to find an available parking space. Please consider alternative transportation methods when coming to HSC by car.

Parking rates are subject to change.

- William Avenue Parkade
- Emily Street Parkade
- Rehab Underground Garage
- Sherbrook Street Underground Garage
- Tecumseh Street Parkade
